

CANOPIES SOLAR SHIELD CANOPIES

Shade Systems

Traditional, practical, functional, economical and stylish!
SOLAR SHIELD canopies with polycarbonate roofing have proved to be the canopy of choice for hundreds of commercial applications.

Robust and durable, these SOLAR SHIELD canopies with their slim steel rafters and gentle curves will set off any building old or new, with either galvanised or paint finish framework.

Control the atmosphere, light and heat transmission through the different tints we have available.

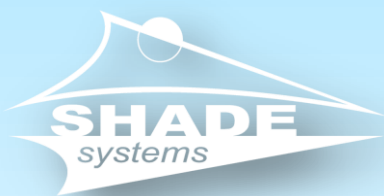

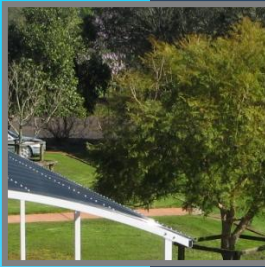

'Cover for Generations'

SOLAR SHIELD canopies are individually made in NZ to each customer's specific requirements, using top quality materials – like Alsynite Polycarbonate (20 year warranty) – and precision workmanship.
